

The Blair Subdivision between Blair and Kennard, Nebraska now boasts a double-track main through the rolling farmlands in ex-C&NW Territory, on this July 5th 2012 view.  
Darrell D. Wendt photos.

Now a double-track crossing, just west of Blair.

The double-tracked "Blair Sub" rolls through some prime farmland as soybeans and corn complete the scene along the right-of-way.

A westbound auto-rack train  
races along the new "Main One"  
on the "Blair Sub."

This long auto train rolls toward  
Kennard, NE a few miles ahead.
