Here's some afternoon shots of this impressive "Super Quad Squad". This line-up will be on display throughout the "2015 UP-C&NW Joint Annual Convention", this weekend in Omaha (6/5-6/7/15). The late afternoon photos were taken with thunderstorms approaching Omaha from the southwest.

Locomotives in the lash-up include the last two Chicago & North Western AC4400CW units still in original C&NW colors, UP C&NW Heritage unit #1995, SD70ACe, and UP #8897, SD70AH on display. "Meet the Super Quad Squad"
