

# Preview of the 2018 Chicago & North Western Historical Society Convention

Welcome back to the beautiful Black Hills for the 2018 C&NWS convention. Many things have changed since the Rapid City convention back in 1997, but the hospitality and variety of things to do certainly have not. Details of tours on the 1880 TRAIN, a visit to the South Dakota State Railroad Museum; programs with a "Western divisions" theme; special displays by the Rapid City, Pierre and Eastern Railroad; and a day exploring the former Black Hills/Western Division headquarters and roundhouse at Chadron, Nebraska will be forthcoming in later issues of NWL. Are you ready to Head for the Hills again? Yes, we will be waiting to see you at Rapid City 2018.

**#110 - Black Hills Central 2-6-6-2 #110 lifts a six-car train out of Hill City on May 19, 2017 - at nearly 5000 feet in elevation you should bring a jacket, and sunscreen to the 2018 Convention!**

**The South Dakota State Railroad Museum at Hill City, South Dakota**

**M&StL/C&NW #1208 in the South Dakota State Railroad Museum, Hill City, South Dakota**

**A set of M&StL F units roll a wayfreight through Dakota City on the SDSRM's two-level HO scale Dakota Junction Learning Layout (DC/DCC)**
