

Attention Modelers and Photographers

Company Store Gift Certificates for Models/Photos Displayed

The C&NWHS Board of Directors realizes that many of our members are scale modelers, and we want to put greater emphasis on modeling at the Annual Meet and in *North Western Lines*. At this year's Annual Meet, we will have presentations that focus on modeling. We strongly encourage member participation. If you are a modeler, please bring some of your work to display. We welcome any category, any scale, and any level of work — from beginner to professional. Every member who brings models to display will receive a \$10 gift certificate to the C&NWHS Company Store. We also want to encourage participation in the photo contest. Any member displaying entries in the photo contest will receive a \$5 gift certificate. Look for details and entry forms for both the model and photo displays on this website. We look forward to seeing you at the Annual Meet!
