

## **2018 Spring Meet of the Iowa NRHS Chapter**

**The Iowa Chapter of the National Railroad Historical Society would like to invite the Chicago and North Western Historical Society members to our Spring 2018 Meet in Sioux City Iowa. The meet will be held April 21 - 22. The meet will feature a visit to the Sioux City Railroad Museum which is located on the former Milwaukee Road Roundhouse and Shops site. Saturday afternoon we will meet at the museum and board public transit trolleys to tour several historic sites in Sioux City in addition to tour of State Steel that uses rail for inbound shipments plus a visit to the D&I Railroad. Also photo the SD18 units at the Central Valley Ag. After the tour there will be a catered dinner and business meeting at the museum. Saturday evening Rudy Daniels will be our guest speaker. Rudy has written several books including Images of Rail Sioux City Railroads. The program will be Railroads Across Iowa. Sunday we will be guests of the Siouxland Historical Railroad Association at the Museum. The museum has GN steam engine #1355, a newly repainted C&NW caboose, assorted rolling stock and many of the shop buildings including the roundhouse. This will be an informal fun event that is reasonably priced. If you are interested in more details please email: Keith Graber at [graber@CFU.net](mailto:graber@CFU.net)**

**\* Please note the price for the meet will be \$45. Email Keith for an updated registration form.**
